

Parents/Guardians,

Tonight your child's homework is to find a box or a bag. Once you find this container, I then ask your child to put in the following items in it to bring back to school to share:

1. Candy wrapper of their favorite candy.
2. An item that represents their favorite color.
3. One photo of themselves.
4. One photo of their family.
5. Two objects that are their favorite.

Please have your child return this to school by August 19th so that they can share during our Morning Meeting.

When students share they will also be self-assessing their performance using this I CAN rubric below.
